

Canteen Weekly Specials – Term 4

Our temporary Manager Anna has offered to cook some fresh weekly specials (which she has successfully implemented at other school canteens), and her suggestions have been warmly welcomed by the P&C Executive. We are also welcoming some fun specials from local businesses associated with our school - starting with a burrito day using *Gringos* burritos on Wednesday, Week 2. Also in **Week 2**, Anna's fresh cooked specials will be:

- Monday - Penne Bolognese
- Tuesday - fresh made Pizza (margarita, ham and pineapple, BBQ meat lovers)
- Thursday - "yum cha" day (pan-fried pork dumplings, steamed prawn dumplings, fresh noodle stir fry - or something similar)
- Friday - Nachos

We are excited to expand the fresh food options in the canteen, and will trial other specials throughout Term 4 to see what is really popular. We look forward to the school community supporting the canteen this term with the new specials, as well as our regular menu items. We hope the students and the staff really love the new menu items and specials!
