

Hunters Hill
High School

Friday, 15 November 2013

Dear Year 10 students and parents,

The following provides important information for Year 10 students and their families.

ROSA (RECORD OF SCHOOL ACHIEVEMENT)

As you are aware, Year 10 students will no longer be sitting for public examinations for their School Certificate.

Schools are required to submit grades to the Board of Studies for all subjects studied by all students in Year 10. These grades reflect student performance throughout the year, based on the assessment schedules published in the Year 10 Information Booklet.

Students who are leaving school and who have satisfied all completion requirements will be eligible for a ROSA. Students who are not yet 17 must provide the school with documentary evidence (eg. an apprenticeship contract) before they can 'sign out' of Hunters Hill High School.

Most students will be commencing Higher School Certificate studies in 2014. The Board of Studies will be making PIN numbers available to all students so that they can access their grades on-line. Students may apply in writing to the Principal for a ROSA when they leave school, including on the completion of their Higher School Certificate studies.

End of Year Exams

With the absence of external examinations, the school examination period for Year 10 becomes much more significant. These are formal examinations and will take place in the school hall commencing Week 6 – Thursday 14th November until Tuesday 19th November.

Year 10 Special Assembly

Hunters Hill High School will hold a special ceremony to celebrate the achievements of our Year 10 students and to acknowledge the completion of their junior studies. All eligible students will receive a special Hunters Hill High School *Certificate of Recognition*.

End of Year Program and Student Attendance

After the Year 10 examination period, school will continue for all Year 10 students with timetabled classes as well as an array of student leadership training, student well-being initiatives and senior studies preparation. All students, including those students who have indicated they will be leaving school to commence work, attend another school or study at TAFE are required to attend school each day until the conclusion of the year.

Special Assembly

Please find attached a timetable of important dates for our Year 10 students. All students are expected to participate in these special events as well as attending classes at all other times.

The Year 10 Special Assembly will be the final school event for Year 10 students in 2013. Parents are welcome to attend this Special Assembly which commences in the Hall at 11:15am on Friday, 13th December. Invitations will be sent to families.

I look forward to celebrating with you the successes of Year 10 students at the Sports Presentation Day, Hunters Hill High School Presentation Day and the Year 10 Special Assembly.

Yours faithfully

Judith Felton
Principal
