*Need And Validity In
Gifted And Talented Education*

Hunters Hill

High School

*Gifted & Talented
Program
2017*

Is My Child **EXCEPTIONAL**?

GIFTED learners often possess:

- A heightened level of **curiosity**
- Capacity to **learn** at **faster** rates
- A wider **variety** of interests
- Power of **concentration**
- Ability to handle **abstract** ideas
- Superior **reasoning**
- **Flexibility** of thinking
- Ability to see a number of **viewpoints**
- Alert and subtle **sense of humour**
- **Imaginative** expression
- Heightened **sensitivity** and **empathy**
- **Leadership** skills

What Do Gifted Children **NEED**?

- Understanding of ways in which to maximise their **individual potential**
- Curriculum experiences that allow **enriched** learning
- Educational programs that foster **flexibility, freedom, depth** and **complexity**
- A learning environment designed to foster creativity and **independent learning**
- Learning opportunities which **go beyond** the normal classroom context
- **Challenging** activities which encourage risk taking
- A sense of **belonging** by collaborating with like-minded individuals
