From The Principal

Over the past couple of weeks, it has been wonderful to observe and speak with refreshed staff and students - all of whom seemed to have benefited greatly from the recent holiday period. This month's *Figtree* is a great opportunity to welcome our school community to Term 4, and reflect upon recent and current events! Our final term is always a particularly busy and fulfilling one as it is crammed with academic as well as celebratory commitments.

Apart from rest and recreation, I hope families utilised the holiday period to ensure that **school equipment and uniforms** were in order. This planning assists students to fulfil their responsibilities to their school community regarding uniform, behaviour and learning.

Of course, one of the highlights of last term was the **Graduation Assembly for Year 12 2013** - a moving and significant *rite of passage* for our Year 12 students. It was heartening to share this ceremony with so many Year 12 families. My particular thanks to the team of teachers who worked with students to organise the assembly; also, to the many gracious parents who spoke with me and expressed their appreciation for teachers' dedication and commitment.

Hopefully, teachers and students' work will come to fruition over the coming weeks as Year 12 students negotiate the **Higher School Certificate (HSC)**. Prior to English, their first exam, I conveyed the school community's best wishes to our students; reminded them that whilst managed by Board of Studies, students remain enrolled HHHS students so must wear full school uniform to, from and during each exam. Students must comply with exam procedures, read questions carefully and utilise the time allowed for each exam. Students should take care to read the HSC timetable carefully and alert the Presiding Officer and the school to any illness or misadventure during the exam period.

Relieving Deputy Principal, Mr Josh Gane and Year Advisor, Ms Slavica met with **Year 11 students** on the first day of this term. Having completed their Preliminary Exams at the end of last term, students have received their marks and feedback on exam performance, adjusted their curriculum patterns and commenced their HSC program. At this month's **HSC Information Evening**, a Board of Studies' presenter will complement the information provided by the school to parents and students.

Congratulations to our **2014 School and Vice Captains**: Jane Andrews, Obadiah Williams, Brittany Roulston and Nathan May. Whilst I'm delighted with our captains, I would like to acknowledge each student who nominated for captain and spoke so compellingly at last term's Leadership Assembly. The remainder of the 2014 Leadership team will be finalised and communicated over the next few weeks.

Our **excursion to Japan** over the holiday period was a great success. Students were immersed in the country and culture, had the experience of travel and, at times, had to step out of their comfort zone. I wish to thank Ms Clare Talbot, Mr Ben Neilsen and former School Captain and 2013 practicum teacher, Chey Anderson for providing this wonderful educational experience for our students.

Once again, **this term's school calendar** is included in this newsletter. Assessment and exam periods as well as transition programs and celebratory functions should be noted. Year 10 students should take particular note of their exam period along with the mandatory training, such as Peer Support, Cross Roads and All My Own Work.

Whilst the term commenced with a very successful and well attended **Primary Band Workshop**, Hunters Hill High will once again host the very popular '**Top of the Hill**' when primary children have the exciting opportunity to explore high school. Additionally, we will host '**Stepping Stones**' - a parent workshop to assist parents with this important transition in their children's lives. Please see the separate information in this newsletter on this initiative - a product of the great partnership we have with our partner primary schools!

As always our **P&C** is working hard for our school community. Neil Hopkins and his team have completed the first working bee for the term. On **Monday, October 21**, the first of this term's **P&C meetings** will be held in the school's library. The workshop for this month will be a short presentation by Relieving Deputy Principal Josh

Gane on the programs that Hunters Hill High School runs to support student wellbeing, for example, High Resolves.

I look forward to seeing you at this meeting.

Until next Figtree,
J M Felton

P & C Report

The next P & C meeting is on Monday 21 October at 7.30 pm in the school library. Everyone is welcome.

Please diarise for the final P & C meeting for the year on Monday 2 December 2013 which will be our annual ***Christmas Drinks on the Pavilion Balcony***. This is an enjoyable, informal occasion for parents, staff and teachers to catch up socially to reflect on a great year at Hunters Hill High School. This special event is held on the balcony of the Pavilion overlooking our wonderful school grounds and water view. Christmas cheer is provided by the Events Committee from 5pm. All welcome.

Japan Tour

Hunters Hill High School Japan Tour 2013

As the Saturday evening traffic began to engulf Sydney, an excited group of young people gathered at the Departure Gates at Kingsford Smith Airport. Our intrepid group, consisting of seventeen students and three adults, was about to embark on an amazing ten-day journey to “The Land of the Rising Sun” Japan.

After an uneventful stopover in Taipei, early on Sunday afternoon we finally arrived at Narita International Airport. The ninety-minute bus ride from the airport took us from smooth-flowing expressways into the pulsing centre of Tokyo itself. We drove over multi-level expressways and past amazing sights such as the newly completed Tokyo Skytree, the tallest building in Japan. The coach finally deposited us safely at the door of our traditional ryokan (Japanese inn).

The ryokan offered our group their first taste of traditional Japanese life; changing into slippers in the genkan, sleeping on futons on the tatami mat floors and eating spectacular homemade Japanese meals. The bathing arrangements also presented some interesting challenges! Our ryokan featured deep baths like swimming pools for soaking and relaxing after a long day's sightseeing.

Our brief stay in Tokyo meant we had a packed schedule. We actually managed to see the ancient shrine, Meiji Jingu, Harajuku (home of youth fashion) and Asakusa (old fashioned downtown Tokyo) on our first day. The following day at Tokyo Disneyland was another day packed with exciting new experiences. .

Our first trip on the Shinkansen (bullet train), took us from Tokyo to Kyoto, the ancient capital of Japan. Our three days there seemed barely long enough to see all the wonderful historic sites, however, we did take in the Ryoanji (stone garden), Kinkaku-ji (Golden Pavilion) and the Toei Eiga Mura: A samurai and ninja-themed film park. We also took a brilliant day-trip to the former capital of Nara.

On the next leg of our journey, we travelled deep into the heart of Wakayama prefecture to Mt. Koya, the home of Japanese Buddhism. Walking through giant groves of cedar to the ancient temples of the Shingon sect was a unique experience; we stayed the night at a local monastery and rose early to attend the prayer session held by the head monk in the adjoining temple. The Buddhist vegetarian meals were a highlight of the trip! Thanks to our dedicated tour guide, Mr Nakai, we met the next Shinkansen to our final destination, Hiroshima.

Our day trip to the famous Miyajima Island was delightful, the place famous for its 'floating torii' (shrine gate) and wandering deer, did not disappoint. We all rode the cable car to the peak of Mt. Misen, which afforded an astonishing view of the Seto Inland Sea. After some of us hiked down the mountain, we returned to Hiroshima for our Farewell Okonomiyaki and Karaoke Party! The visit to the Peace Memorial Museum on our last morning was perhaps, the single most important destination on our trip.

Thanks to all those who followed our adventures on our Facebook page and 'liked' the photos we posted during the trip.

We returned to Sydney, footsore and a little weary, perhaps, but having shared in so many amazing experiences. Well done to all the Hunters Hill High School Japan Tourists of 2013. You were both responsive and responsible, and made all of us very proud!

Stepping Stones – Transition to High School Parent Forum

Stepping Stones Transitioning to High School Parent Forum

Hunters Hill High School in coordination with Lane Cove West Public School and Gladesville Public School is hosting a forum for parents to assist them in preparing their children for transition to high school.

All interested parents of students from Years 3 to 6 from the following primary schools: Lane Cove West, Gladesville, Lane Cove, Greenwich, Hunters Hill and Boronia Park are invited to hear the key note speaker's address, Angie Wilcock author of 'The Transition Tightrope', at the breakfast forum to be held at Hunters Hill High School at 8am on Thursday 31st October. School counsellors, Learning and Support Teachers, Year Advisors and Principals will also address key issues concerning transitioning from primary school to high school.

Following the breakfast and the speeches, there will be an open forum Q & A where parents can address their questions to the expert personnel. This is a wonderful opportunity for parents to learn about the plethora of support provided for parents and students making the leap from primary school to their local public comprehensive high school. Parents will be given an information folder outlining key contacts, as well as other valuable information about transitioning.

If you are a parent of a student at one of the above primary schools please contact your local primary school for information. If you are a parent that would like to attend the forum, but your child does not attend one of the local primary schools listed above, please contact Hunters Hill High School directly on 9817-4565 for more information.

Top of the Hill

Hunters Hill High School is hosting its annual, popular and highly regarded enrichment program **Top of the Hill** this term on Monday 11th and Wednesday 13th November. More than a hundred students from our six feeder primary schools will partake in two days of fun filled activities ranging from Science to Dance. The aim of the program is to provide an enriching transitional experience for potential future students, as well as to showcase our school's resources, facilities and opportunities.

For the Year 6 students who are already enrolled into the 2014 Year 7 cohort, **Top of the Hill** provides an insightful orientation to their future lives here at Hunters Hill High School. The opportunity to meet fellow students, teachers, their year advisor Ms Goulousis and become familiar with the school grounds is a valuable experience for every Year 6 student and their parents. Together with students from Years 4 and 5, they participate in organised workshops, led by expert teachers and current students, in high school specific subjects like Science, Drama, Design and Technology, Food Technology and extra-curricular opportunities like Dance.

Over the two days, the primary school pupils undergo a series of enriching, collaborative, creative and problem-solving activities coordinated by Ms Iva Slavica, Mr Josh Gane, expert teachers and the 2014 school captains Jane Andrews and Obi Williams.

Top of the Hill has become one of the most exciting days of the year and has gained a reputable name in our school community. It is a wonderful opportunity to see everyone working together towards a common goal: to spread the message to our local community of our school's core values.

Debating

Best Debating Results Ever!

Our Year 9 debaters were responsible for Hunters Hill High School achieving the best result in the Premiers Debating Challenge that we have ever attained. The Year 9 debaters won all three of their debates, as well as the decider against Pittwater High School. This win meant that the team were the outright winners for the Zone and they earned a spot in the Quarter Finals. Unfortunately, we were unsuccessful in this debate. Nonetheless, it was a stellar effort by our Year 9 students and congratulations are extended to Isaac Wallis, Matt Holloman, Christallo Dimos and Nanako Reza.

Our Year 7, 8 and 10 debaters also took part in the Challenge and were extremely competitive. Congratulations are extended to Royce Carnelutti, Emma Scott Stevens, Cameron McLeod, Ben Jones, Sebastian Davies, Matt Gray, Ben Tindiglia, Justin Sunderland, Will Bayliss, Andrew Gray, Shalom Kumar, Liam Martin and Dakota Boyd.

Hugo Li, a past student of Hunters Hill High, prepared students for the competition by providing a day long workshop on the finer points of debating. I am sure Hunters Hill High School will enjoy further success in debating and encourage students to try out for the team next year.

Volunteering

Legacy Day 2013

Hunters Hill High had 26 students sell badges for Legacy Day on 6 September 2013. In total the group sold \$5 080.10. The students involved, enjoyed interacting with the shoppers at Lane Cove and enjoyed being able to volunteer for Legacy which is such a worthy cause. Our thanks to Mr Gwynn Boyd from Legacy and Lane Cove Residents and shoppers.

SHOWCASE: National Dance Championships

Hunters Hill High School Dancing sensation!

Showcase is the one of the most innovative and progressive Dance competitions ever to be created in Australian and New Zealand history. Showcase is not an eisteddfod, showcase is a national event where competitors are part of a unique scoring system that is ranked across the whole competition against other competitors from Australian & New Zealand. Showcase attracts some of the best dance studios in the nation, all wanting to give their dance students the opportunity to grow and learn from the Showcase experience.

Two Hunters Hill High School students, Samantha Warren (Yr. 10) and Nadiyah Akbar (Yr. 9) competed at the Dee Why Regional Dance Championships on Saturday 12th October.

Samantha & Nadiyah both successfully qualified for their Duo "Turning to White" achieving the prestigious gold medal and 1st place. Nadiyah's Solo performance to "Hope There's Someone" also won her the gold and Samantha performed her solo to "Open Arms" and was equally successful in taking out the gold medal on the day. Only one other competitor received a higher award on the day.

Showcase is a Regional Dance Championship. To qualify for Nationals you need to score High Silver or above. Nadiyah and Samantha will now compete against the winners from all other States including NZ. The National Championship will be held on the Gold Coast in January.

The Hunters Hill High School community is extremely proud of these two brilliant dancers and wish them the best of performances at the National Championships next year. Well done girls!!

Primary Band Workshop

On Wednesday 9th October 44 primary school students from some of Hunters Hill High School's partner schools including: Lane Cove West Public School, Gladesville Public School, Boronia Park Public School and Lane Cove Public School arrived at the school performance space with instruments in hand ready for a full day's workshop alongside 22 students from our Hunters Hill High School Concert Band. Alex Silver is the talented band conductor who mastered the task of assembling a mass of students and instruments into some semblance of order, as brand new sheet music was handed out and tuning commenced.

The day continued very smoothly with a very large orchestral sound resounding out of the performance space. After recess and some quality interaction between our high school students and the visiting primary school students, the group workshops began. Our Concert Band members took on a leadership role throughout this session providing instruction, encouragement and guidance as they worked on their pieces.

The afternoon session was once again a cacophony of sound, with trumpets, percussion, keyboards, clarinets, flutes, saxophones, French horns, electric guitar, oboes, euphonium, trombones and huge bass drums. At 2:00pm parents and principals arrived to watch the concert performance showcasing the work and talent of all involved. After performing three pieces including "Bohemian Rhapsody" and "Party Anthem", the day finished to resounding applause from an impressed audience.

Thank you to all of the primary school students for enriching the day with your talent and "give-it-a-go" attitude and to Alex Silver for her ability to hear through the sound and create beautiful music. Congratulations to our Hunters Hill High School Concert Band members for your tireless work on the day: Patrick Brennan, Thomas Brennan, Stephen Fredericks, Fergus Marshall, Caitlin Nash, Siobhan Nash, Nanako Reza, Conrad Schnitzler, Dominic Vicary, Isaac Wallis, Ray Utara, Pamela Madoyris, Ben Murray, Cate Wong, Joel Hussain, Charlotte Wiltshire, Huon Kirkman, Hannah Wells, and Heather Service. A special thank you to Mitchell Fredericks, a current 2013 HSC student, who volunteered his valuable time to help make Primary Band Workshop a success.

Young In Art Exhibition

Hunters Hill High School once again has a strong presence at this year's **Young In Art Exhibition** under the talented guidance of Visual Art teachers Ms Anne Wong, Mr Daniel Dominguez and Ms Iva Slavica. The Official Opening of the 2013 Hunters Hill Young In Art Exhibition, was held on Wednesday 16 October, in the Hunters Hill Town Hall. Students, parents and family were invited to come along and look at the wonderful works presented by Hunters Hill High School and the surrounding schools.

The Young In Art Exhibition plays an important role in encouraging art among young people in our community with students, ranging in age from Kindergarten through to Year 12, from our eight local primary and high schools participating.

A Brief History: 58 Years YOUNG IN ART

Young in Art is an important and inspirational Exhibition of local school children's artworks. This special event connects the local Schools of Hunters Hill and recognises the talents of young people. This Exhibition encourages students to be creative and pursue artistic and creative endeavours.

The importance of inspiring and encouraging creativity in young people has always been known with a high calibre of judges taking the time to judge the children's section over the years. One of the judges of the first Children's Exhibition in 1956 was Jeffrey Smart a highly distinguished painter. Jeffrey Smart, AO (26 July 1921 – 20 June 2013) was an expatriate Australian painter known for his precisionist depictions of urban landscapes.

The Hunters Hill Young in Art Exhibition grew out of the annual Hunters Hill Art Exhibition, with children's works originally displayed in the nearby church hall from 1956 -1985. As the Exhibition grew over the years so did the popularity of the children's section. Eventually the children's section out-grew the church hall; and so in 1986 local school teacher Ric Hedley worked with all local schools and Council to develop a separate exhibition which has become Young in Art.

Each school is responsible for selecting from their student's works and then hanging/displaying them in the Hunters Hill Town Hall. These art works are then judged and awarded prizes in the following categories: Kindergarten, Yrs 1-2, Yrs 3-4, Yrs 5-6, Yrs 7-8, Yrs 9-10, Yrs 11-12, Group work, 3D –Ceramic and Photo/Mixed Media.

Schools taking part in the Exhibition are Hunters Hill Primary School, Villa Maria Parish School, Boronia Park Primary School, Gladesville Primary School, Marist Sisters College, **Hunters Hill High School**, St Joseph's College, and Riverside Girls High School.

Year 12 Graduation

Hunters Hill High School had the pleasure of hosting the graduation for our 2013 HSC students on September 20, 2013.

The ceremony began with the HSC students walking in to the song "Save Tonight", after which we sang the National Anthem with the help of Alannah Toemoe and Mitchell Fredericks. Our students continued to exhibit their talents with an incredible performance by the Year 12 Music Group, as well as a medley of songs performed by Jade Grace and Diana Morgan. Our Vice Captains, Ian Hopkins and Kaspas Blewett did an excellent job as Masters of Ceremony.

On a more serious note, our Principal Ms Judith Felton, myself as the Year Advisor, the Captains of 2013 and Mitchell Fredericks and Emily Munro, all gave captivating and heart-felt speeches, farewelling our students and thanking everyone who had made it possible for them to graduate. We were fortunate to have parents attend who have been a constant source of knowledge, inspiration and guidance to our Year 12 students over the past six years and it was wonderful to see these parents acknowledged by Ms Felton and the school.

We also enjoyed a slide show which recorded the events and activities students had been involved in, in their six years at Hunters Hill High School. This was aptly followed by the presentation of a gift to the school from the Year 12 cohort. Cassie presented the school with a scoreboard for the hall.

Traditionally, at this assembly, the captains for the next year are announced. Our congratulations to Jane Andrews, Obadiah Williams, Brittany Roulston and Nathan May who were elected to be our leadership team for 2014.

The morning concluded with the students walking out to "Fader Temper Trap" and then enjoying a morning tea with the parents and teachers.

We were very blessed to have a large group of family members and friends in attendance and we even had the pleasure of a surprise visit from a parent who came from overseas just for this event. Sadly, we also need to acknowledge that some students lost close family members this year. Our deepest sympathies are extended to them.

In conclusion, the Year 12 Graduation for 2013 was an immense success and my sincere gratitude is extended to the Executive, the administration staff, Alan Roose, Nia Kurtz and her team for catering the event and finally the English staff, particularly Michael Walkom and Elena Goulousis who, as always, jumped in to assist.

Thank you,
E Bohnen

Year 10 Report

Our Pseudo –Seniors

As Year 12 students depart, and Year 11 commence their Year 12 studies there seems to be a void that needs filling.

One cannot help but notice the maturity beginning to come to the surface for our current Year 10 cohort. They are abuzz with anticipation of becoming senior students.

Whilst they eagerly await the commencement of their chosen senior subjects they still have to work their way through several activities that have been lined up for them in Term 4, including:

Event	Date
1. Year 10 Exams	14 - 19 th November
2. Achievers Camp - for those who have earned their spot for this event	20 th – 22 nd November
3. Cross Roads / All My Own Work	25 - 27 th November
4. Year 10 Exam Feedback	28 - 29 th November
5. Peer Support Training	2 nd – 3 rd December
6. Year 10 Formal	10 th December
7. Year 10 Special Assembly	13 th December

There won't be many dull moments before the end of their junior schooling career... Let's finish strongly!
