FROM THE PRINCIPAL

Welcome to this month's newsletter. Once again, it is timely to acknowledge the work of all contributors who make this newsletter such an effective means of communication within our school community. I encourage you to dip into it and learn more about the Hunters Hill High community.

Congratulations to Hunters Hill Council, our Visual Arts teachers: Ms Anne Wong and Mr Dan Dominguez and our students for a very successful 'Young in Art'. Hunters Hill High has participated and shone in this competition for many years. Our school's commitment to this competition allows students to experience the excitement of seeing their work exhibited as well as the opportunity to win prizes for their art-work. The Opening Night was very well attended and students, parents and teachers' pride very evident!

Whilst the HSC exam period has had its challenges for some of our students, I commend our students as reports from the Presiding Officer indicate the serious approach of our students. On November 6, Year 12 students completed their 'sign-out' which means that all school resources were returned to the school and outstanding financial commitments finalised. Parents, if your child has failed to meet this obligation, please direct your child, with school resources and any unmet financial obligations, to the school immediately. Our new HSC students are waiting for those resources!

My thanks to the many parents who managed to take time out of their busy schedules to attend the school's Year 12 HSC Information Evening at which BOSTES, DEC and the school's requirements, expectations and support were outlined to parents and their children. Whilst preparation for the HSC begins in the junior years of a student's education, it's essential our 2015 HSC students commence, and continue, their HSC year with focus and determination.

It's 'Top of the Hill' time once again! As we have done for several years, this month, we welcome over one hundred primary children to our school to experience high school lessons presented by our team of expert teachers. 'Top of the Hill', one part of our Community of Schools' program, is a much loved tradition at Hunters Hill High School. Over two days, our teachers and student leaders introduce the world of secondary education to primary students; primary children learn and feel confident about their transition to high school and, at the program's conclusion, parents are treated to a wonderful 'show and tell'. My thanks and appreciation to Ms Iva Slavica and our primary colleagues for their organisation; also, to all teachers and students who are great leaders prior to and throughout this program.

In the latter part of this term, there are several significant celebrations within our school community, including Year Assemblies; Sports Presentation Day and Presentation Day. I encourage parents' attendance wherever possible as, regardless of their age, children do enjoy their parents' presence on such occasions. As is our practice each year, Michael Murphy and I will present the Hunters Hill High School Award at each of our Partner Primary Presentation Days; a great tradition that builds community with our neighbouring schools and recognises some fine student achievers!

This month's P&C Meeting, the last meeting for 2014, will be held in the Staff Common Room at 7.30pm on Monday, November 17. Last month's presentation by Ms Michelle Chiew-Meldrum, Head Teacher Science, was very well received; this month's staff workshop will be led by Mr Michael Walkom and Ms Elena Goulousis. I urge your attendance at this workshop, '21st Century Fluencies' which is essential information for all parents. The workshop commences at 7.30, goes for about 30 minutes and is followed by the P&C meeting. I look forward to seeing you at this meeting as well as the P&C's Christmas Drinks on the Phil Daniels Pavilion balcony at 5pm on Monday, December 1.

Look out for our Christmas and holiday wishes in December.

Until next newsletter.

Judith M. Felton
Principal

P & C REPORT

Congratulations to all students who have completed exams, particularly HSC students.

The P & C would like to thank all HSC teachers who provided individual and group tutorials before, (including school holidays) and during the HSC exam period. It is much appreciated.

We would also like to thank P & C Environment Coordinator Neil Hopkins and other volunteers for the gardening working bee on Saturday, 8 November 2014. The regular gardening working bees make a significant difference to our beautiful and extensive school grounds.

The final ordinary general P & C meeting for the year will be held in the staff common room on Monday, 17 November 2014. There is tea, coffee and cake from 7.00 pm. The meeting itself starts at 7.30 pm and usually finishes by 9.30 pm. Michael Walkom, Head Teacher English, and Elena Goulousis, English and Drama teacher, will give an interesting and informative presentation on 21st Century Fluencies in Education. The Head Teacher presentations at our P & C meetings have been excellent. It's amazing what we all learn about education at Hunters Hill High School. I would encourage as many parents and carers as possible to attend.

The next P & C meeting is also significant because we will start planning P & C expenditure for 2015. If you have any ideas, projects or items for the P & C to consider in its funding list please bring it to the meeting for discussion. If you can't attend the meeting you may want to e-mail P & C secretary Sharon Flanagan with your ideas: secretary.hhhspc@gmail.com

I'm delighted to advise that the annual P & C Christmas Drinks on the Balcony will be held on Monday 1 December 2014 from 5pm to 7.30pm. This is a very informal, enjoyable occasion for parents, staff and teachers to catch up socially to reflect on a great year at Hunters Hill High School. This special event is held on the balcony of the Phil Daniels Pavilion overlooking our wonderful water view and school grounds.

We look forward to seeing you there.

Deborah Slack

President, Hunters Hill High School P & C Association 2014

P & C MEETING

Monday 17th November at 7.30PM

Staff Common Room

School Entry – Main Gate Reiby Road

SCHOOL CONTRIBUTIONS

As you know, the school has invoiced families for their School and Subject Contributions as well as Tuesday Sport costs. We appreciate those who have paid these contributions in a timely manner. If there are financial reasons that require a time payment, please write to the Principal and mark your correspondence confidential.

AROUND THE SCHOOL AND IN THE COMMUNITY

Empowering Young Minds Youth Forum

On Friday 17th October I had the pleasure of taking seven Hunters Hill High School students to the Wenona School in North Sydney. The “Empowering Young Minds Youth Forum” was developed by the 2REALISE foundation to discuss youth issues and share practical strategies in developing leadership skills and maintaining resilience in young people under the unique pressures of the 21st Century.

Not knowing what to really expect, we spent the day hearing young guest speakers share their inspiring stories of struggle and success, engaged in an array of fun (and funny) games to promote confidence and workshopped ideas to develop projects within our school to promote awareness of positive mental health and resilience.

I'd like to thank and congratulate William Service, Vasiliki Apostolopolous, Claudia Hirst, Matthew Holloman, Sandra Nikolic, Nora Joljian and Brigitte Villasmil, not only for attending, but also for demonstrating their commitment to the school community and their peers. It was a great day and I look forward to seeing the ongoing results within our school community.

Jessica Austin
Learning and Support Teacher

BRAVE Program

BRAVE (Boys Respecting and Valuing Education) is a four week program run between weeks four and seven. The program is targeted at boys and aims to improve engagement and enjoyment in regular class lessons.

Running at no cost for the students, selected boys from years seven, eight and nine will be withdrawn from class to participate in BRAVE sessions. The program is broken down into three modules targeting

- Teamwork and competition through physical challenges
- Improving organisation at school and at home
- Learning to develop positive role models and what it means to be a man.

Student Attendance

Notice of a student absence can be made via a text message to 0423 836 462.

Please include student's full name, roll class and reason for absence.

Please limit your message to 160 characters.

Achievers' Morning Tea

On Tuesday 13th and 20th November, Hunters Hill High School recognised students' achievements in Semester One by holding Achievers Morning Teas.

Congratulations to the following students:

Charlotte Bull, Christallo Dimos, Thomas Gnaden, Matthew Hollman, Max Jones, Jody Thompson, Brian Lim, Ruairi Malcom, Sandra Nikolic, Nick Nunez, Alice Perkes, Nanako Reza, Beth Hopkins, Jake Jamieson, Rohan Mudaliar, Conrad Schnitzler, Matilda Roche, Klaus Kazamias, Harrison Hansford, Tallulah Gunn, Owen Bersenev, Siobhan Nash, Liam Martin, Mercedes Mamblona, Samantha Warren, Christopher Cheeseman, Zen Elliot Howell, Peter Blyde, Cian Flanagan, Damien Dimos, Brooke Clews, Andrew Gray, Jack Morris, Brandon Louie, Sung Jun Noh, Xavier Perkes, Neil Hussain, Monique Ustunoglu, Sinead McCarthy, Jane (Thu Trang) Dang, Vicki Apostolopolous, Paul Hong, Jasmine Lowe, Hyunwoo Moon and Qiwei Chen.

WELCOME TO NEW STUDENTS TO HUNTERS HILL HIGH SCHOOL

Welcome to our new students:

Year 7 Amorina Kajoranun

Year 8 Zarina Mae Aguilar

Year 9 Austen Wagner

Year 10 Abigail Aguilar, Dominic Cornthwaite,
William Ren

Year 11 Beatice Aquaro, Elisa Cicchi,
Agnese Fontana

we need

YOU!

SAVE THE DATE.....

WEDNESDAY 3 DECEMBER 2014

The HHHS P&C Uniform shop, needs your help!

Orientation is a BIG day for everyone.

You may remember Orientation day, when you/your children purchased their Uniforms from the Uniform Shop, ready for Yr 7.

Without Volunteer assistance the Uniform Shop cannot continue to provide effective service to our School. On Orientation Day, we need lots more assistance to make the day a success.

Enrolments are UP!

More students = More uniforms = Longer queues, unless we have more Volunteers.

Please consider donating a couple of hours on the 3rd December to help outfit our new students!

The day starts at 8.00 am and usually concludes at 3.00pm. Anytime between these hours, assistance would be greatly appreciated. NO experience required. On the job training provided.

If you are able to help in any way, please email, phone or text:

Christine Trainor

Hunters Hill High School Uniform Shop Co-ordinator

Email: uniformshhs@gmail.com

School Office: 9817 4565

Mobile: 0416 173 701

FACULTY REPORTS

Science

The Science Faculty has progressed in leaps and bounds since the beginning of the year. The need to keep moving with our students' technological skills, it has become of paramount importance. It is important that we interact with, and incorporate technology in our teaching and learning has become paramount.

One of our investments this year has involved the installation of the brand new digital projectors. Having increased our ability to communicate holistically within the classroom, this visual tool has assisted in removing the stigma behind copious amounts of handouts, saved photocopying costs and opened a door to interactive learning as students develop the ability to interpret and analyse information from a visual source.

This tool has also enhanced learning from a practical perspective. Our 2015 Year 12 Senior Science students recently dissected a heart to assist their understanding around its structure and function. With the use of our newest investment, students had the ability to learn from an exemplar heart under the camera, whilst the dissection occurred.

Moving forward, our vision is to create and sustain an interactive classroom environment for our students. This has precipitated our latest investment- Google Chrome Books. This multi-faceted interface will not only create ease of research within the classroom but will also enhance teacher and student interaction through multiple applications. Google Classroom weaves together Google Docs, Drive and Gmail to help teachers create and collect assignments paperlessly. As teachers, we can quickly see who has or hasn't completed the work, and provide direct, real-time feedback to individual students.

As we move towards the common goal of our faculty for a more interactive and engaging classroom, we haven't thrown away the idea of using the old fashioned pen and paper. Whilst we are investing in tools to assist student engagement, we recognise that a variety of different learning strategies should be used to enhance students' ability to think and write critically.

The additional technology, coupled with more traditional learning strategies means a greater emphasis around our literacy and numeracy skills, the ability to interpret qualitative and quantitative data and the ability to scientifically write about it.

With greater emphasis on writing skills, extrapolating questions, creating marking criteria and peer marking, the Science Faculty is working to extend students to achieve at their maximum potential.

Michelle Chiew
Head Teacher

Maths

Australian Mathematics Competition

Hunters Hill High School has had some fantastic results this year in the Australian Mathematics Competition. Despite the name, it has become an international event with countries throughout the Pacific and South East Asia participating, and some from even further afield taking part. The aims of the competition are three-fold:

AUSTRALIAN MATHEMATICS TRUST

1. To highlight the importance of mathematics as a curriculum subject
2. To give students an opportunity to discover talent in mathematics
3. To provide resources for the classroom and general discussion

Students are asked to solve thirty problems in 75 minutes (Years 7 to 12). The earlier problems are easier with the problems becoming progressively more difficult towards the end, when they are challenging to the most gifted student.

We would like to congratulate all students who participated in this very challenging competition, and recognise the following students on their exceptional results:

High Distinction was awarded to Evan Choi in Year 7.

Distinction was awarded to John McCreanor in Year 9

Credits were awarded to Nicholas Chao (Year 7), Joshua Epple (Year 7), Ricky Han (Year 7), Song Tran (Year 7), Benjamin Jones (Year 8), Matthew Gray (Year 9), Connie Zhang (Year 10), Christallo Dimos (Year 10), Shangning Li (Year 10) and Alysha Durrant (Year 10).

The Australasian Problem Solving Mathematical Olympiad

Year 7 and Year 8 students had the opportunity this year to participate in the Australasian Problem Solving Mathematical Olympiad (APSMO). The Maths Olympiad programme is a series of five short papers delivered at approximately one monthly intervals. This focuses on individual student improvement by providing time for the practice and development of problem solving skills.

Congratulations to our Trophy Winners in this prestigious competition:

Evan Choi (Year 7) who placed in the Top 10%,

Benjamin Murray (Year 8) and Cameron Zirn (Year 8) who placed in the top Top 25%.

Susan Turnbull

Head Teacher Mathematics

2013 MOOCOBOOLA

**Parents, the 2013 Moocooboola magazine is now available from reception.
No cost to parents who have paid 2013 school and subject contributions,
\$10 to those who have not.**

Cyber Safety Day

On Thursday 23rd October, Year 8 attended an informative incursion about the issues surrounding bullying, which is generally caused by unequal relationships. This program explained about the negative effects of a dominant power in a relationship which added to our knowledge about Mental Health Week.

During the incursion, we participated in a role play and this taught us about how people can be affected in a negative relationship and how we can successfully offer them our support. We also watched a short film that related to the issues that we had been discussing, and which represented the realistic views of how bullying is portrayed in the community.

Our instructor was extremely kind and enthusiastic, and she helped us to learn in a positive environment. We greatly enjoyed the interactive activities, group work and short film as these were all innovative ways of learning.

Emma Scott-Stevenson and Sebastien Davies
Year 8 SRC Representatives

Rainbow Mufti

On Friday 24th October the school held a rainbow themed mufti day to raise money for the Kids Helpline. This was an SRC initiative, with a focus on the important issue of mental health. The day was successful in raising \$530; we appreciate the generosity of the school community. The SRC also organised a Relationships and Cyber Safety workshop, run by KYDS Youth Development Service.

HUNTERS HILL HIGH CHESS CLUB

When? Every Tuesday Recess

Where? Upstairs in the Library

Who? Everyone welcome!

Why Join the Chess Club?

- Chess is easy to learn.
- Chess develops memory.
- Chess improves focus and concentration.
- Chess builds self-esteem and self-confidence.

Did you know?

- 315 billion combinations exist for just the first four moves of a chess game.
- Chess is called the game of kings, because for many centuries it was played primarily by nobility and the upper classes.

Teaching someone to drive can be a **happy** experience.

You can learn all the simple steps on how to teach a learner driver at a **FREE** two hour workshop.

The next workshop in your area will be held:

TIME & DATE:

**Tuesday 18
November 2014
6:30 – 8:30pm**

VENUE:

**Gladesville Rd
Community Centre
44 Gladesville Rd
Hunters Hill**

BOOK NOW ON:

**Helping learner drivers
become safe drivers**

Free workshop for parents and supervisors of learner drivers

An important component of the Graduated Licence Scheme is that all learner drivers under 25 years must complete a minimum of 120 hours supervised on-road driving experience prior to presenting for their provisional P licence.

The RMS (formerly RTA) and Hunters Hill Council are holding a free two hour workshop to offer practical advice to parents and supervisors on how to help learner drivers become safer drivers.

This workshop will provide information about:

- Completing the Learner Driver log book.
- Recent changes to the GLS
- The new RMS SAFER DRIVERS COURSE.
- The current laws and restriction for L and P licence holders.
- Supervising learner drivers and young driver road safety issues.
- The benefits of supervised on-road driving experience.

Education &
Communities

No knives at school

Parent Fact Sheet

SAFETY AND SECURITY DIRECTORATE

There is no good reason to bring a knife to school.

NSW now has the toughest knife laws in Australia. As a parent, you need to be aware of these laws, as you can also be charged if you allow your child to carry a knife.

No knives allowed at school under any circumstances.

- If a student has a knife at school the principal may call the police.
- The student may be expelled or suspended immediately. Possessing a knife includes your child simply having one in their bag or locker. Having a knife for self-protection is also illegal. If you are concerned about your child's wellbeing or safety, contact the principal.
- Tough penalties apply for children convicted of knife offences, including gaol sentences of up to 25 years if someone is injured with a knife during an assault.

Every child has the right to feel safe and secure at school. There is no good reason for a child to ever have a knife at school.

If you want to talk about children and knives at school, please contact the principal.

What kind of knives are prohibited?

As school policy is designed to keep all students safe, no type of knife is allowed at school. No type of knife is allowed at school. That means no butter knives or fruit knives in lunchboxes, or knife tools for craft purposes.

- Flick knives, ballistic knives, sheath knives, push daggers, trench knives, butterfly knives and star knives are all prohibited.
- Your child cannot bring to school any item that can be used as a weapon (such as a chisel).
- In lessons requiring the use of knives, for example cooking or trades, your child's teacher will supply and supervise the use of the tools.
- There are some senior subjects, such as hospitality, where children may be required to have their own knives.

Your child's school will advise you about these courses and the procedures for carrying knives legally to and from school and TAFE.

The law makes parents responsible

You need to make certain your child is aware of the school's rules and the State laws about knives.

If you allow your child to carry or possess a knife at school or in a public place, you can be charged.

- The police can search any child they suspect of having a knife. They can confiscate any dangerous object they might find during the search.
- Your child must comply with such a police search, or they may be arrested and charged.
- It is also illegal for anyone to sell a knife to anyone who is less than 16 years old.
