## FROM THE PRINCIPAL

What a term it has been! What a term it promises to be!

Our Year 12, 2017 students have concluded their HSC exams. Presiding Officer Louise Morgan and her team are pleased that, for the most part, students were able to negotiate these public exams without incident. As you know, our 2018 Year 12 students have commenced their HSC program this term and are about to face their first assessment task later this term. Clearly, it is so important that these students maintain their focus throughout the term.

Our teachers and Year 7 to Year 10 students are working to complete, mark and report upon final year assessments and examinations. This term has its challenges as this academic focus is coupled with planning and preparation for our numerous celebratory occasions that are plotted throughout this term.

- My congratulations to Head Teacher CAPA Jenny Sibley and her team of parents, teachers, tutors and students who contributed to a wonderful **Soirée**. It was a great evening filled with stunning performances by student, staff and local community members. I was deeply touched that the night was in my honour. My sincere and heartfelt appreciation to all those who performed and to those who attended this memorable evening. We are very lucky that our resident filmmaker and enormously generous parent James Hurworth filmed the evening; also, that parent Jacqueline Crompton was busy behind the camera throughout the night.
- Planning is well underway for my **Farewell Assembly on Friday, November 24**. If at all possible, I encourage your attendance as, I'm assured by the organising committee, the assembly will be a great showcase of our school; also, it will be an opportunity for me to farewell both current and former members of our school community.
- Congratulations to our **2018 Student Leadership Team!** Whilst our school captains were announced at last term's Year 12 Graduation Assembly, this term, we announced our Events and CAPA Captains – congratulations to Alexander and Kayla! Later this term, our Sports and House Captains will be finalised. At our Presentation Day, our captains, along with our incoming SRC, will receive their badges.
- **Congratulations to Jess Austin** and the team of teachers and students who made another Top of the Hill possible! A huge team effort but one that supports our incoming Year 7 students and promotes our school.
- Our **timetable team** is working hard on our 2018 staffing and curriculum. We are working very hard to ensure that permanent teachers are in place for our students at the beginning of the new school year. I am confident that the incoming Principal and Deputy Principal will be finalised in the coming weeks; along with panels for classroom teachers for TAS and PD/H/PE as well as a Head Teacher Teaching and Learning. Additionally, as we are a growing school, there have been classroom teacher appointments in Maths and Science; and we are waiting on an appointment in English. Whilst we are sad to farewell relieving Deputy Principal Josh Gane, we are pleased to welcome Adam Skinner to the HSIE Faculty and Sharon Flanagan to our permanent administrative staff.
- Congratulation to all students who were invited to, and will be attending, next week's **Achievers Camp**.
- Given that we are experiencing quite a bit of change this year, I encourage you to attend the P&C's Drinks on the Balcony on December 11, as this occasion will allow you to farewell some long-term staff and, hopefully, meet some newly appointed staff.

My best wishes for the remainder of the term – I look forward to saying goodbye as the term concludes.

**Judith M Felton**

## Deputy Report

It's with a heavy heart that I advise the school community of my departure from Hunters Hill High School at the conclusion of the school year. As many people are aware, I grew up in the Hunter Region and I've always had intentions to return at some stage during my career. In early November, I learnt of a Hunter Region school with a vacant permanent Deputy Principal position. Although I've always been extremely happy and proud to work at HHHS, I saw this position as an excellent career and personal opportunity. After a long deliberation, I decided to apply, knowing that I wouldn't be overly disappointed if I was unsuccessful. Last week, I was formally offered the Deputy Principal position and accepted. My new position will commence at the beginning of the 2018 school year.

I can't overestimate the joy I've experience working at HHHS for the past 12 years. The opportunities, events, interactions and challenges have moulded me into the person I am today. I leave HHHS feeling totally fulfilled and grateful due to the time spent with so many remarkable students, staff and family members.

I'm looking forward to my remaining weeks at HHHS, particularly attending my 12th Achievers Camp. I hope to have the opportunity to personally thank so many community members who have contributed to my wonderful time at HHHS.

I'm excited about the opportunities ahead. I know I leave HHHS in safe hands as the school continues to grow and prosper.

I look forward to celebrating HHHS throughout the remainder of the year.

My thanks,

**Joshua Gane**  
**R/Deputy Principal**

## P&C Report

An enthusiastic group of parent and student volunteers led by Simon and Sue Hirst recently carried out planting works in the new amphitheatre area. Thanks to all those who helped, particularly Monique Colman who organised selection and purchase of the plants and has overseen the whole project.

As you will be aware, the school will have a new Principal and Deputy Principal next year and I am representing the P&C on the selection panels to assist in making these important new appointments.

We will not be having another P&C meeting this year but will be holding our annual **Drinks on the Balcony from 5.30pm on Monday 11<sup>th</sup> December**. This will be an opportunity to say farewell to Judith Felton and other staff who are leaving the school so I hope that many parents and members of the school community will come along to enjoy a chat over drinks and canapes.

**Margaret Schnitzler**  
**President, Hunters Hill High School P&C Association**

## SAVE THE DATES

### HUNTERS HILL HIGH SCHOOL ~FAREWELL ASSEMBLY~

You are cordially invited  
to attend the Farewell Assembly for our  
Principal, Judith Felton.

Friday 24<sup>th</sup> November  
*In the Phil Daniels Pavilion*  
10am

8 November 2017

Dear Parents and Carers,

### SAVE THE DATE

#### **Hunters Hill High School's Presentation Day - Wednesday 6 December 2017 at 9.30am**

I have great pleasure in inviting you to the Hunters Hill High School Presentation Day, 2017. Presentation Day will be held in the Phil Daniels Pavilion and will commence at 9.30am and conclude at 12pm (approximately) on Wednesday 6 December 2017.

**Please note, award recipients will be notified in a separate correspondence at a later date.**

A section of the hall will be reserved for parents. I request that parents are seated in the hall by 9.15am. Unfortunately, parking will not be possible within the school grounds.

After the ceremony, all parents and carers are invited to share light refreshments on the hall balcony.

As December 6, 2017 is a school day for all students, teachers will supervise students' entry to the hall. It is my expectation that all students attend this formal ceremony and are attired in full school uniform, including plain black shoes and laces.

Hunters Hill High School's Presentation Day is an opportunity for our learning community to acknowledge and celebrate outstanding achievements and achievers and inspire all students to 'reach for the stars'.

When we celebrate the achievements of others, especially people connected to us, we nurture our own capacity to achieve. My hope is that this occasion will assist all students' confidence and encourage them to make the most of their considerable talents.

Parents' presence will add to the occasion and will be a great support for their children. To assist the school's planning, RSVP by 29 November 2017 by emailing the school on [huntershd-h.school@det.nsw.edu.au](mailto:huntershd-h.school@det.nsw.edu.au)

My best wishes.

Yours faithfully,

A handwritten signature in black ink, appearing to read "Judith Felton", is placed above the printed name of the principal.

# Remembrance Day Service

Saturday 11 November 2017, Lane Cove Plaza

Five students represented Hunters Hill High School at the Remembrance Day Service held in Lane Cove this year. They handed out poppies, programs and rosemary twigs and interacted with the Lane Cove public.

Ben Jones and Graeme Davis (Senior Vice President Lane Cove RSL) read the Ode. Our students presented the wreaths to the Official Party and carried the wreaths to the Lane Cove War Memorial Cenotaph. It was a special day for our students commemorating our war veterans and representing Hunters Hill High School on this solemn occasion.

Volunteer Coordinator

## Legacy Badge Day 2017, Lane Cove Depot

Once again, Hunters Hill High students have volunteered to sell badges for Legacy Day 2017 raising a total of \$3,695.40. Our five top sellers were Iko Daniel, Ino Daniel, Ayana Managawa, Isabella Parry and Tianna Vicary. These five students sold \$907.99 worth of merchandise between them. All money raised goes towards helping the families of veterans who have died or given their health. Legacy week has been held since World War II.

Hunters Hill High School thanks you for your generosity.

## **Japan Culture Day**

"Oishii desu!" (It's delicious!) Could be heard echoing around the Canteen area as our Year 7 students had their first taste of the *yakisoba* meal they had just prepared. The verdict was unanimous. Everyone loves noodles!

Thanks to our visiting teacher, Ms. Pam Howard, all of Year 7 had the chance to cook and eat a Japanese meal this term. Everyone learnt some really important expressions to use when making requests and eating. The various groups also had the chance to try their hand at *kendama* – a traditional cup and ball game. Our students all displayed a wonderful appreciation of these experiences and made some more special memories of their time at high school.

# Top of the Hill 2017

Top of the Hill was a massive success this year!

With a record number of enrolments for 2018's Year 7 – we invited along 120 primary students to participate in our annual transition and enrichment program. Now in its 5<sup>th</sup> year, the Top of the Hill program welcomed our newest and youngest members of the community with open arms.

Over Monday 6<sup>th</sup> and Wednesday 8<sup>th</sup> November the students from across the area participated in mini lessons throughout the school, including:

- Getting familiar with the Soundation music program with the talented Ms Claire Vowell;
- Becoming young Andy Warhol's in artistic collaborations with the creative Ms Dominique Scenna;
- Refining their drama skills with charismatic Ms Simpson;
- Learning the skills and control required for creating key rings in the metal workshops with the knowledgeable Mr Pickles;
- Creating the correct balance in the science labs to make sherbet with the clever Mr Robert Bruce and Mr David Aubusson.... and
- Whipping up yummy chocolate crackles in the state of the art hospitality kitchen with master chefs, Mr David Cartwright and Ms Zeljka Karac.

Our expert teachers and student leaders guided the students in six groups to get a good understanding of what will be available to them in the not too distant future when they become official members of the Hunters Hill High School Community.

It was a wonderful two days watching everyone getting to know each other and to share in the excitement.

Thank you to all the primary students for coming along and a special thank you to all the teachers and Hunters Hill High School students involved.

**Jessica Austin**

**Top of the Hill Program Coordinator**

# YOUNG IN ART WINNERS 2017

## Overall Secondary Winner for Hunters Hill High School Young in Art Exhibition

This year *Young in Art* opened on Wednesday evening 25 October with student visual artwork available for viewing from the general public until Sunday October 29. This was a huge success with even more students, parents and teachers in attendance. The evening began with a primary school dance item followed by the presentation of winners. Hunters Hill High won five of the thirteen awards. The Visual Art staff, Ms. Wong and Ms. Scenna along with Head Teacher CAPA Ms. Sibley, celebrated our students' achievements.

The Hunters Hill *Young in Art* Exhibition grew from the annual Hunters Hill Art Exhibition. From 1956 - 1985 children's works were originally displayed in the nearby church hall. As the Exhibition grew over the years so did the popularity of the children's section. Eventually the children's section outgrew the church hall, and so in 1986, a local visual arts teacher, Ric Hedley worked with the local schools and Council to develop a separate exhibition which became known as 'Young In Art'. This inspirational exhibition of local school student artwork is open to both primary and secondary students.

The importance of inspiring and encouraging creativity in young people has always been valued by the panel of judges taking the time to judge the children's section over the years. One of the judges of the first Children's Exhibition in 1956 was Jeffrey Smart AO (1921 -2013), a distinguished Australian painter and expatriate who was known for precise depictions of urban landscapes.

The 2017 *Young in Art* Exhibition displayed a range of talents from four major high schools including St Josephs, Riverside Girls High, Marist Sisters College and Hunters Hill High School as well as four Primary schools including Villa Maria Parish School, Boronia Park Public School and Gladesville Public School.

### *A great school success for Hunters Hill High*

The Hunters Hill High School Visual Arts teachers are delighted to congratulate not only the outright winner, but also the 92 students whose works were on display. Each student should be extremely proud of their achievements.

Congratulations to the following students for awards in the secondary schools categories

**Outright Winner:** Nanako Reza (Year 12, 2016) for her charcoal drawing *Violet*
